

Spring Forum 2019

Spring has sprung and it's time once again for our **Annual Spring Forum April 23rd**, at 7pm at the Historic Reesor Ranch.

This is a chance to meet up with those in the Tourism Industry, network and problem solve together, while also getting to enjoy some tasty treats (Cash bar will be available)! This year it's also a chance to learn of some of the changes that have happened over the past couple of months, learn the strategy the Board has for moving forward, and learn more about just how far we've come in the five years since our first full-time employee was hired.

Also at this year's Forum will be a special guest in the form of **Jace Anderson, Executive Director of Tourism Medicine Hat** who will speak on what he sees as the role of DMO's in creating the kind of business increases you would like to see - aka Conversions, and how Tourism Medicine Hat has worked to do this.
